As the oldest and largest chamber of commerce in Ireland, we represent the business interests of 1,400 companies across the Greater Dublin Area, making us the perfect partner to help your business grow. Providing a blend of networking, support services and access to Government we aim to increase the prosperity of Dublin and our members. The Dublin Chamber of Commerce is the city's most powerful and enthusiastic advocate, playing a role in major developments affecting Dublin city and its environs.

business membership

Business membership of the Dublin Chamber is for your company if you are a large indigenous or global company based in the Greater Dublin Area.

access

Membership of the Dublin Chamber of Commerce provides you with access both to members and to decision makers in Government. Access to fellow members is facilitated by our many events, by the membership directory and also through our publications. Access to key decision makers is facilitated by our events programme and through involvement with our policy committees and working groups.

voice

The Chamber acts as an independent voice for business in Dublin City and its environs. We support your business by lobbying Government to ensure Dublin has the best environment to conduct business.

Through the work of our committees and working groups, we address issues such as transport and infrastructure, waste management, business costs, tourism and inward investment and help you to engage with Government on the many issues that affect how you do business.

profile

Avail of free publicity for your business through our publications - *Business Ireland* and *Dublin Business*. Over 2,500 business people in Dublin will read your company profile!

network

Membership of the Dublin Chamber of Commerce provides you with two key networking series and many corporate hospitality opportunities.

(A) Business After Hours – networking evenings for all staff, informal and formal networking provided, also the opportunity to avail of a 1 minute speaking opportunity. This is free of charge to members.

(B) Business Breakfasts – with pre-speaker networking opportunities.

Networking opportunities are also available at our prestigious annual feature events - Annual Dinner, AGM Dinner, Sporting Dinner and Christmas Lunch.

Entertain your clients at these pivotal events and connect with other businesses!

sponsorship

The Dublin Chamber of Commerce can provide you with unique sponsorship and marketing opportunities. This enables you to enhance your business profile by taking advantage of one of our exclusive sponsorship packages. You can launch your new product, new company name or premises to a target audience of business people through the Chamber events programme.
